

Italo security provisions regarding COVID-19

- Wear surgical masks to protect the nose and mouth for the entire trip and change it in case of trips longer than 4 hours;
- Enter the name and last name of all travelers (corresponding to those provided in a valid ID) when purchasing the ticket in order to identify all passengers and manage any cases of presence on board of suspected or confirmed positive cases to Covid-19 virus;
- Avoid traveling in case of symptoms of acute respiratory infections (fever, cough, cold);
- It is mandatory to use the train access doors indicated for boarding and getting off the train;
- Sit only in the seat indicated in your ticket (seat changes are not allowed while the train is running);
- Reduce moving on board the train.
